THE JOY OF MAKING A DIFFERENCE

INSIGHT SEMINARS
EDUCATION THAT TRANSFORMS LIVES

INSIGHT
SEMINARS

Since 1978 we have been providing opportunities for men and women, children and teens to experience more of the magnificence of who they truly are. Our seminars literally guide participants into the awareness of how life can be better—for themselves and others—when they are living compassionately, making choices from the perspective of what we call their “heart.” The process is so profound that it transforms the way they look at, and live, their lives. It creates a greater experience of loving, inner peace, health, wealth, success, happiness and joy that becomes a template for how life can be—if they choose it.

More than one million people ages 6 - 96 in over 25 countries around the world have now benefited from Insight’s work.

INSIGHT’S MISSION:

Insight is here to assist us in transforming ourselves into loving so that the greater transformation of the planet to loving will take place.

To be able to continue expanding the work we have been doing, we are inviting your financial assistance. We have created a number of funds and plans to fit your preferences and giving needs.
