Reach to the Hearts of the Children

CREATING TOMORROW'S WORLD TODAY

Our future rests with the children of today. What they are inspired to believe is what the world we live in will become. You can help shape their awareness so they are inspired to create a world where people truly respect one another, where love, not fear, is the motivator, where it is safe for you and your children and your grandchildren to walk the streets, visit entertainment centers and work places, and travel with ease and safety.

Insight is up to the task of supporting the vision of a wonderful future with programs that address the issues most on the minds of contemporary children and teens. Your generous participation in our Youth Development Fund through corporate sponsorship, youth scholarships and by underwriting children's and teen seminars so that more of the disadvantaged population can afford to participate in Insight, side by side with more affluent participants, will extend the reach of Insight's work with young people.

FUND

Give the
Gift that
Continues
to Give

TAKING INSIGHT INTO THE FUTURE

This program of giving was created in response to a request by graduates who experienced such tremendous value and positive impact in their own lives and the lives of their families, friends, colleagues and in their businesses, that they wanted to see this transformational work be made available in greater ways. By contributing to Insight's Endowment Fund, you are assisting in making this education of and for the heart available for future generations.

INSIGHT
SCHOLARSHIP
FUND

Extend the Opportunity of Insight

MAKING INSIGHT MORE AVAILABLE THROUGH TUITION ASSISTANCE

Thousands of people around the world have benefited from participating in Insight Seminars because of the generosity of graduates and others who have provided financial assistance.

Insight's Scholarship Fund is set up for grads to assist making this heart-centered education available to those less fortunate. This includes inner city parents of children who have participated in one of Insight's youth programs and adults in countries where the economy puts the cost of an Insight Seminar out of the reach of many citizens.

INSIGHT
GENERAL
FUND

Support Insight's Expansion

NEW CITIES, PROGRAMS, FACILITATORS

Bringing Insight seminars and workshops to new cities, developing new seminars, and training new facilitators has unique challenges and a variety of financial demands. Your donation to Insight's General Fund will assure that Insight is able to expand its efforts, maintain its relevance in changing times and can adapt to the ever-evolving challenges of our youth and adults.

UNDERWRITING
PLAN

Taking Insight Out

BRING INSIGHT TO YOUR COMPANY OR FAVORITE GROUP

In addition to our various funds, Insight has a donation plan for underwriting the cost of seminars to specific groups. Whether you would like your donation to bring an Insight seminar to your company, to a charitable organization's recipients, or to a particular community or target group, Insight will work with you to make it happen.

We have presented seminars in a number of unique settings and to specialized populations and professions including:

- Summer camps for teens infected with or affected by HIV or AIDS.
- Graduate sponsored Gift of the Heart Seminars for children and adults with life-threatening illnesses.
- Special interest groups including teachers, school administrators, and gay and lesbian communities.
- And we are currently exploring providing Insight seminars for a law firm, a nursing hospital, and a church.

If you have a special interest or an idea for taking Insight out...let us know.

Would You Like to Make a Difference?

THERE ARE MANY WAYS TO GIVE AND SUPPORT INSIGHT'S WORK OF TRANSFORMATION AND LIVING A LIFE OF GREATER LOVING.

Whatever approach you select, there is always the overriding benefit of knowing you are supporting good work, important work, work that is making a positive impact on our world today...and into the future.

We Welcome Your Support

In addition to the methods listed here, there are many ways to give, from donations of real estate to charitable annuity trusts, to deferring a gift until after your lifetime. A deferred gift may allow you to contribute much more than you thought possible, increasing your impact on future generations while providing maximum protection to your assets.

If you would like to contribute to Insight's Legacy Endowment Fund and would like to discuss either a large one-time gift, a deferred gift, or explore donating real estate or setting up a charitable annuity trust – or if you would like to explore other ways that would work best for you, please contact Candace Semigran, Insight's President and CEO, and we will arrange a meeting with our Planned Giving Consultant and Attorney.
